Learn these habits to avoid falling victim to thieves

When you are working hard and making money in Taiwan adopt these four simple habits to avoid thieves stealing from you:

Turn off the engine and lock your vehicle

Remember to turn off the engine, take out the key and lock your scooter.

Carry valuables on your person

Never leave valuables such as a cellphone, wallet or ID in your vehicle or unattended in a public place.

When you go out make sure the windows in your residence are locked

Before going out make sure doors and windows are locked and check again every night before going to bed.

Remain vigilant in places where visibility is poor and there are few people

Be on high alert at night, especially in places where there are few people. Avoid using your phone and not paying attention to your surroundings.

**Always remain alert and be safe.

Pencuri Paling Takut dengan Kebiasaan-Kebiasaan Ini!

Apakah Anda Sudah Mempelajarinya?

Bekerja keras untuk mendapatkan uang di Taiwan, berikut empat kebiasaan sederhana untuk mencegah pencuri mencari kesempatan:

Matikan mesin dan kunci saat kendaraan berhenti

Harus ingat mematikan mesin, mencabut kunci dan mengunci sepeda motor

Barang berharga senantiasa dibawa

Ponsel, dompet, kartu identitas dan benda berharga lainnya, jangan ditinggal di dalam kendaraan atau tempat umum

Kunci rapat pintu dan jendela rumah saat keluar rumah

Memastikan semua pintu dan jendela sudah terkunci dengan benar sebelum meninggalkan rumah, juga harus diperiksa sekali lagi saat sebelum tidur di malam hari

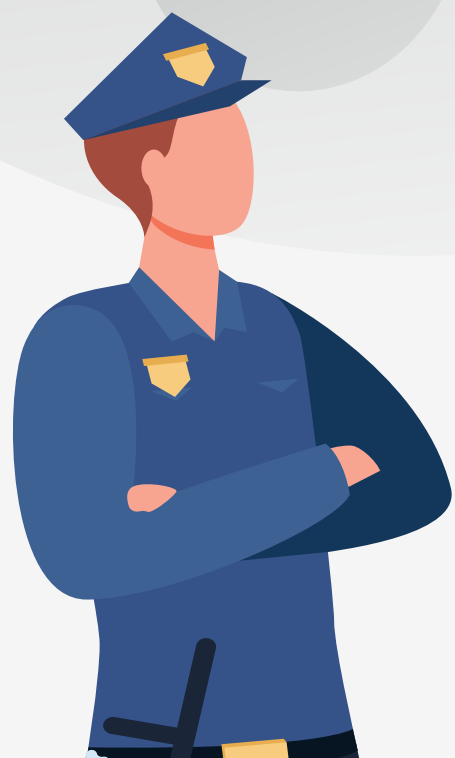

Tetap waspada di tempat sepi dan gelap

Harus tingkatkan kewaspadaan di tempat yang sepi atau malam hari, hindari menggunakan ponsel saat berjalan.

Selama kita lebih berhati-hati maka akan lebih aman, segera bagikan kartu bergambar ini kepada kerabat keluarga Anda!

Những thói quen khiến kẻ trộm sợ nhất

Bạn đã học được chưa?

Đến Đài Loan làm việc vất vả để kiếm tiền, hãy ghi nhớ 4 thói quen đơn giản sau để kẻ trộm không có cơ hội ra tay

Tắt máy, khóa xe khi dừng đỗ

Nhớ tắt xe máy, rút chìa khóa và khóa xe.

Vật dụng quý giá luôn mang theo bên người

Điện thoại, ví tiền, giấy tờ quan trọng không nên để trên xe hoặc nơi công cộng.

Đóng và khóa chặt cửa khi ra ngoài

Trước khi ra khỏi nhà hãy kiểm tra xem đã khóa cửa sổ và cửa ra vào chưa. Buổi tối trước khi ngủ cũng nên kiểm tra lại một lần.

Cảnh giác ở nơi tối hoặc vắng người

Khi đi vào ban đêm hoặc khu vực ít người, hãy nâng cao cảnh giác, tránh vừa đi vừa nhìn điện thoại.
